The main dining room can seat approximately 70 people with a separate deck available to host canapés and cocktails. We are able to host a larger party for a stand up event, up to 110 pax. Our chef Nicolas Gomez, has the ability to create exciting menus for you and is willing to discuss any special requirements or ideas that you may have. We understand the importance of your event and will take pride in making it the best day that it could be.

We will be happy to discuss and design beverage packages to cater for your wedding. Our wine list is attached for you to choose from. Should you have something specific in mind we will be able to cater for it. We have premium wines, liquors and champagnes which are available to add to your list for your special evening. As we are licenced, we are not able to cater for BYO during any functions.

A minimum number of guests or a subsidy will be required to book the entire restaurant on Saturday night and peak times. For events and weddings during off peak time, lunches and mid week these can be discussed as required.
